MAKE LIFE A RIDE.

THE NEW BMW S 1000 RR.
PRODUCT INFORMATION.
OVERVIEW.

The BMW S 1000 RR is staggeringly quick. It’s a 208-kg supersports bike that delivers 199 hp (146 kW) at 13,500 rpm. It looks like a bike that means business on the racetrack – and it doesn’t disappoint. With close to maximum torque available between 9,500 (112 Nm) and 12,000 (113 Nm), beating your previous best is always on the cards. Features fitted as standard include DTC, preparation for race shift direction inversion, and three riding modes: Rain, Sport and Race. Optional extras include Dynamic Damping Control, Pro gear-shift assist (which lets you change gears up and down without using the clutch), Pro riding modes (plus two extra modes), Launch Control and speed limiter for the pit lane. The BMW S 1000 RR is a superbike straight out of the top tier, leading the way on roads and racetracks alike.

**BMW S 1000 RR**

Model code: 0D50

**Engine/drive**

- Water/oil-cooled, transverse four-stroke in-line four-cylinder engine
- Four-valve technology, with four titanium valves per cylinder and double overhead camshaft
- Capacity: 999 cc
- Max. output: 199 hp (146 kW) at 13,500 rpm
- Max. torque: 113 Nm at 10,500 rpm
- Electronic injection (two injection nozzles per cylinder), digital engine management with integrated knock control, adjustable inlet manifold length
- Full E-Gas (ride by wire) electronic throttle control
- Stainless steel exhaust system with front silencer, rear silencer with twin-pipe design for sonorous sound
- Electronically regulated balance pipe valve, regulated balance pipe valve flaps and controlled sound flap
- Two regulated three-way catalytic converters
- Six-speed synchromesh gearbox with spur gears
- Chain drive
- Compliant with EU4 emission standard

**Dimensions/weight**

- Length: 2,050 mm
- Height excluding mirrors: 1,140 mm
- Width including mirrors: 826 mm
- Wheelbase: 1,438 mm
- Dry weight: 179.5 kg
- Unladen weight without operating fluids: Unladen weight, fully fuelled/road-ready: 208 kg
- As defined in EU directive 93/93/EEC, filled with all operating fluids, fuelled to at least 90% of usable tank capacity.
- Max. permitted weight: 407 kg
- Max. load (with standard equipment): 199 kg
- Usable tank capacity (of which reserve): 17.5 l (approx. 4 l)

**Performance/fuel consumption**

- Max speed: over 125 mph
- Fuel consumption per 62 km according to WMTC: 6.7 l
- Fuel type: Premium unleaded, 95 octane (RON); knock control; max. output figure achieved with 98-octane fuel

**Chassis**

- BMW Motorrad Race ABS (partly integral, switchable)
- Dynamic Traction Control (DTC)
- Upside-down fork, front (diameter 46 mm, travel 120 mm), Black-anodized, rebound/compression damping and spring pre-load all adjustable with a hook wrench; ride height adjustable
- If optional DDC is fitted, the upside-down telescopic fork is gold-anodized.
- Aluminium double swing-arm, rear (120 mm of travel), central spring strut in rebound/compression damping steplessly adjustable and readable at any time; spring pre-load adjustable
- Double disc brakes at front (diameter 320 mm, thickness 5 mm), radial four-piston calipers
- Single disc brake at rear, hydraulic (diameter 220 mm, thickness 5 mm), single-piston floating caliper
- Cast aluminium wheels (120/70 ZR 17 at front, 190/55 ZR 17 at rear)
- Side stands with cut-out switch

**Electrics**

- Headlights and high beam lights
- Dimmable multifunction display (speedometer, total and two trip distance counters, clock, lap timer, analogue rev counter, gear indicator, average consumption and range indicator); three standard riding modes (Rain, Sport, Race), in conjunction with option code 224 “Pro riding modes” includes two additional riding modes: Slick and USER; racetrack stats including average throttle and braking percentage, number of gear shifts (per lap, minimum/maximum velocity), freeze function; programmable gear shift indicator with speed warning display, “Best Lap in Progress” display and error indicator; malfunction indicator lamp (MIL)
- Launch Control (e-Gas and torque management for race starts)
- Single Wire System (CAN bus)
- Electronic immobilizer
- Drop sensor
- 406-W three-phase generator
- Hazard warning lights
- Smoke Grey indicators and LED rear light

Package code 228 £565.00
- "Pro riding modes" with adjustable Dynamic Traction Control (DTC), Pit Lane Limiter and Launch Control (two extra riding modes: "Slick" and "USER" with coding plug for custom settings)
- ABS Pro (ABS control for "Rain", "Sport" and "Race" (in dry conditions) riding modes that adapts to motorcycle's banking angle) Only available as part of the Race package.
- Cruise control
HP PARTS

[X] **HP sport silencer** (not shown)
The perfect finish: a 100% titanium silencer with an end-cap and heat shield in Carbon plus laser-engraved HP logo. High-quality sound turns every ride into a thrilling experience.
For detailed information, please contact your BMW Motorrad Centre or visit www.bmw-motorrad.co.uk
Mounting instructions are available from your BMW Motorrad Centre.
- **HP sport silencer**
  Order number: 77 11 8 526 079
- **HP titanium exhaust system**
  For detailed information, please contact your BMW Motorrad Centre or visit www.bmw-motorrad.co.uk

[1] **HP rider and pillion foot pegs**
These CNC-milled HP foot pegs combine aesthetic appeal with exceptional functionality. A wide range of adjustment options offer riders everything they need when it comes to ergonomics and track-style riding.
To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad Centre.
- **HP rider foot pegs, left**
  Order number: 77 25 8 550 773
- (+) **HP rider foot pegs, right**
  Order number: 77 25 8 569 048
- **HP pillion passenger foot peg, left**
  Order number: 77 25 8 567 147
- (+) **HP pillion passenger foot peg, right**
  Order number: 77 25 8 567 148

[2] **Pro gear-shift assist**
Delivers smooth acceleration without using the clutch lever – 10 times faster than normal gear shifts. Also available as an equipment option.
To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad Centre.
- **Pro gear-shift assist**
  Order number: 23 41 8 549 125
- (+) **Enabling code for Pro gear-shift assist**
  Order number: 13 61 8 545 879
- (+) **Microswitch**
  Order number: 61 31 8 529 368
  Required if “Cruise control” option is not fitted; also available separately (option code 538).
- (+) **Lever with intermediate plate**
  Order number: 32 72 8 556 669
  Required if “Cruise control” option is not fitted; also available separately (option code 538).

Folding HP brake and clutch levers
Made out of corrosion-resistant, anodized aluminium, the CNC-milled HP brake and clutch levers are both stylish and highly practical. Easily adjustable to provide the most suitable position for every rider, the built-in folding design also reduces the risk of bending or breaking in the event of an accident.
To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad Centre.
- **Folding HP clutch levers**
  Order number: 77 22 8 537 509
- **Folding HP brake levers**
  Order number: 77 22 8 537 510

HP clutch and brake lever protectors
These lever guards are essential on the racetrack and make a serious statement on public roads.
[X] **HP clutch lever protector** (not shown)
Order number: 77 22 8 537 507
Only available in conjunction with folding HP clutch levers.
For detailed information, please contact your BMW Motorrad Centre or visit www.bmw-motorrad.co.uk
- **HP brake lever protector**
  Order number: 77 22 8 537 508

[6] **HP axle protectors**
These highly abrasion-resistant plastic drop-protection pads for the front and rear axles protect the fork and swinging arm from damage.
Mounting instructions are available from your BMW Motorrad Centre.
- **HP axle protectors (two required)**
  Order number: 77 25 8 356 929

Please contact your local BMW Motorrad Centre for fitted prices.
Original BMW motorcycle equipment is available from your BMW Motorrad Centre.

(+) = “and” – this item must be ordered at the same time
EQUIPMENT FOR THE BMW S 1000 RR.
**HP PARTS**

[1] **HP engine protectors**
Aluminium engine guards with plastic sliders provide additional protection for your engine.
To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad Centre.

* HP engine protector, left
  Order number: 77 25 8 545 293

* (+) HP engine protector, right
  Order number: 77 25 8 545 292

**HP carbon bolt-on parts**
Superlative performance is a given with these bolt-on parts. They’re elegant, exclusive and durable – each one a masterpiece in its own right. And if perfection’s what you’re after, you’ve hit the jackpot here because they’re made of carbon, the ultimate lightweight material. An unbeatable combination of stylish looks and technical expertise.
Mounting instructions are available from your BMW Motorrad Centre.

[2] * HP carbon front mudguard
  Order number: 77 31 8 549 539

* (+) Body panel screw M5x14 (four required)
  Order number: 46 63 8 534 938

* (+) Plastic washer (four required)
  Order number: 46 63 7 714 241

[3] * HP carbon rear mudguard
  Order number: 77 31 8 546 482

Attachment for HP carbon rear mudguard
Order number: 77 31 8 555 696

* (+) Body panel screw M5x25 (three required)
  Order number: 46 63 8 534 939

* (+) Plastic washer (three required)
  Order number: 46 63 7 714 241

[4] * HP carbon upper fairing side panel, left
  Order number: 77 31 8 550 749

* (+) HP carbon upper fairing side panel, right
  Order number: 77 31 8 550 748

* (+) Body panel screw M5x14 (four required)
  Order number: 46 63 8 534 938

* (+) Plastic washer (four required)
  Order number: 46 63 7 714 241

[5] * (+) HP carbon tank cover, left
  Order number: 77 31 8 550 751

* (+) HP carbon tank cover, right
  Order number: 77 31 8 550 750

* (+) Body panel screw M5x14 (two required)
  Order number: 46 63 8 534 938

* (+) Body panel screw M5x20 (four required)
  Order number: 46 63 8 527 780

* (+) Plastic washer (six required)
  Order number: 46 63 7 714 241

[6] * HP carbon airbox cover
  Order number: 77 31 8 537 855

* (+) Body panel screw M5x14 (two required)
  Order number: 46 63 8 534 938

* (+) Body panel screw M5x35 (two required)
  Order number: 46 63 8 534 940

* (+) Plastic washer (six required)
  Order number: 46 63 7 714 241

[7] * (+) HP carbon heel protector, left
  Order number: 77 25 8 546 531

To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad Centre.
Part of the HP rider foot peg system.

* (+) HP carbon heel protector, right
  Order number: 77 25 8 546 530

[8] * HP carbon chain guard
  Order number: 71 60 7 714 596

To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad Centre.

* (+) Body panel screw M5x14 (two required)
  Order number: 46 63 8 534 938

* (+) Plastic washer (two required)
  Order number: 46 63 7 714 241

HP PARTS

[1]  HP forged wheels
The forged, Black-anodized HP aluminium wheels deliver improved responses and a significant weight reduction (2 kg compared to standard wheels). Also available as an equipment option.
To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad Centre.

- HP forged wheel, front
  Order number: 36 31 8 548 892

- (+) Cylinder screw M8x25 (12 required)
  Order number: 07 12 9 907 382

- (+) Brake disc (two required)
  Order number: 34 11 8 523 478

- (+) Sensor ring Z=48
  Order number: 34 52 8 523 479

- (+) ISA screw M5x6 (six required)
  Order number: 07 12 9 907 842

- HP forged wheel, rear
  Order number: 36 31 8 548 893

- (+) Spacing bushing
  Order number: 36 81 8 523 331

- (+) Camshaft sprocket carrier
  Order number: 33 81 8 530 679

- (+) Damper (five required)
  Order number: 33 81 8 530 682

- (+) Camshaft sprocket Z=45
  Order number: 33 81 8 532 146

- (+) Fitting screw M12x1.5 (five required)
  Order number: 33 81 8 532 733

- (+) Flange nut (five required)
  Order number: 27 71 7 724 142

- (+) Spacing bushing
  Order number: 36 31 8 534 822

Useful gear for the racetrack
Only for track use (not homologated for road use).

[X]  HP carbon race engine spoiler (not shown)
Order number: 77 31 8 551 228
Mounting instructions are available from your BMW Motorrad Centre.
Only in conjunction with HP power kit.

- (+) Body panel screw M5x14 (10 required)
  Order number: 46 63 8 534 938

- (+) Plastic washer (ten required)
  Order number: 46 63 7 714 241

- (+) Assembly plug
  Order number: 07 14 7 140 849

- (+) Tank vent hose (two required)
  Order number: 16 11 7 718 574

[2]  • HP cover kit
Order number: 77 31 8 520 178

- (+) Raised head screw for mirror covers (four required)
  Order number: 46 62 7 652 556

- (+) Raised head screw M5x30 (three required)
  Order number: 46 54 7 699 778

- (+) Grommet (three required)
  Order number: 62 21 7 670 749

- (+) Blind cap set for wiring harness
  Order number: 77 53 8 526 536

- (+) BMW sticker
  Order number: 31 42 7 708 518

[X]  • HP power kit (not shown)
To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad Centre.
For detailed information, please contact your BMW Motorrad Centre or visit www.bmw-motorrad.co.uk
For solo riding only.

- (+) Cylinder screw M8x35
  Order number: 07 12 9 907 380

- (+) Cylinder screw M8x30 (two required)
  Order number: 07 12 9 907 381

- (+) Washer
  Order number: 07 11 9 904 164

- (+) Hexagonal nut M8
  Order number: 07 11 9 905 374

Please contact your local BMW Motorrad Centre for fitted prices.
Original BMW motorcycle equipment is available from your BMW Motorrad Centre.

(+)= “and” – this item must be ordered at the same time.
EQUIPMENT FOR THE BMW S 1000 RR.
HP PARTS

Useful gear for the racetrack

Be ready for every race.
Only for track use (not homologated for road use).

1. HP race calibration kit
   Order number: 77 53 8 546 642
   (+) Data cable with 16-pin connector
   Order number: 77 53 8 388 672
   For detailed information, please contact your BMW Motorrad Centre or visit www.bmw-motorrad.co.uk

   (+) Enabling code for HP race calibration kit
   Order number: 13 61 8 542 056

2. HP data logger
   Order number: 77 53 8 526 204

3. HP chain tensioner
   Order number: 77 25 8 560 292

4. HP brake pads
   Order number: 77 23 8 535 423
   Kit for one brake caliper, two required per vehicle.

5. HP brake air valve
   Order number: 77 02 8 543 065

[X] 6. HP Race brake bleed assistant (not shown)
   Order number: 77 02 8 536 259

6. HP infrared receiver for lap timer
   Order number: 71 60 7 715 830
   Mounting instructions are available from your BMW Motorrad Centre.

   (+) HP infrared transmitter for lap timer
   Order number: 71 60 7 715 836

Useful gear (on and off the track)

7. HP handbrake lever with remote adjustment
   Order number: 77 22 8 568 167
   To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad Centre.

7. HP clutch lever
   Order number: 77 22 8 544 058
   Mounting instructions are available from your BMW Motorrad Centre.

[X] 8. HP seat (not shown)
   Order number: 77 34 8 546 602

   (+) Mounting kit
   Order number: 77 34 8 550 363

8. HP tyre warmers
   Order number: 77 02 8 543 059

9. HP pit floor mat
   Order number: 77 02 8 543 243

STORAGE

10. Tankbag
    The tankbag fits in perfectly with the shape of the tank. The lockable main compartment is waterproof and has a capacity of 13 litres. The tankbag has a highly water-resistant map pocket. And there’s also a small, water-resistant outer pocket for easy access to small items.

    • Tankbag
    Order number: 77 45 8 545 898

11. Rear bag
    The tough, waterproof rear bag is made of easy-care fabric, and its capacity is expandable from 25 to 32 litres. The bag is a perfect match for the design of the BMW S 1000 RR, and can even be used when riding at high speeds.
    For solo riding only.
    Cannot be fitted at the same time as the plastic seat hump cover.

    • Rear bag
    Order number: 77 49 8 545 894

12. Saddle bags
    Fabric saddle bags with 10-litre capacity (expandable up to 16 litres). Quick-lock design for easy on-and-off before the next tour or race.

    • Saddle bag
    Order number: 77 40 2 446 914

13. Bag for pillion seat
    Compact, sturdy and waterproof, this bag fixes snugly onto the pillion seat and has a 2.5-litre capacity (expandable up to 5.5 litres).
    For solo riding only.
    Cannot be fitted at the same time as the plastic seat hump cover.

    • Bag for pillion seat
    Order number: 77 49 8 562 631

Please contact your local BMW Motorrad Centre for fitted prices.
Original BMW motorcycle equipment is available from your BMW Motorrad Centre.

(+) = “and” – this item must be ordered at the same time
DESIGN

[1] Plastic seat hump cover in vehicle colour
is mounted instead of pillion seat. Gives the BMW S 1000 RR an even more dynamic look. Also available ex works.
For solo riding only.
Not available in conjunction with the rear bag.
• Plastic seat hump cover
  – Light White
  Order number: 77 31 8 556 213
  – Racing Red
  Order number: 77 31 8 556 214
  – Black Storm Metallic
  Order number: 77 31 8 556 218
(+) Fastening for seat hump cover
Order number: 77 31 8 520 252
(+) Locking cylinder (with codes) for central locking with motorcycle
Order number: 51 25 7 681 200
The locking cylinder for the pillion seat can also be used.
(o) Repair kit for locking cylinder for central locking with motorcycle and/or panniers
Order number: 51 25 7 698 204

[2] LED indicators
Cutting-edge design inside and out. The LED indicators complement the design of the BMW S 1000 RR perfectly – and with reduced energy consumption and significantly longer bulb life, they’re also a shining example of efficiency. Also available as an equipment option.
To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad Centre.
• LED indicators (four required)
Order number: 63 13 8 522 503
(+) LED indicator mounting kit
Order number: 77 51 8 551 391

ERGONOMICS AND COMFORT

[3] Comfort seat
Wider than the standard version, the padded comfort seat is perfect for longer tours and creates striking visual contrasts.
• Comfort seat (seat height: 850 mm; step length: 1,870 mm)
Order number: 77 34 8 544 942

The pillion comfort seat is padded and wider than the standard version, and offers significantly more passenger comfort.
• Comfort pillion seat
Order number 77 34 8 549 541
(+) Locking cylinder (with codes) for central locking with motorcycle
Order number: 51 25 7 681 200
The locking cylinder for the pillion seat can also be used.

Tinted windshield, high windshield, clear and tinted
Want a cool look or better wind protection? Look no further. The tinted version of the standard windshield gives your bike a track-style edge while the high windshield (also available as tinted) provides better protection against the wind.
Mounting instructions are available from your BMW Motorrad Centre.

[5] • Tinted windshield
Order number: 46 63 8 540 846

[6] • Clear high windshield
Order number: 77 33 8 550 074

[7] • Tinted high windshield
Order number: 77 33 8 550 075

[8] Heated grips and switches
Warm hands feel good. Which is why these heated handlebar grips have two settings designed to keep hands and fingers pleasantly warm.
Also available as an equipment option.
For detailed information, please contact your BMW Motorrad Centre or visit www.bmw-motorrad.co.uk
To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad Centre.
• Heated grips and switches

Please contact your local BMW Motorrad Centre for fitted prices.
Original BMW motorcycle equipment is available from your BMW Motorrad Centre.

(+) = “and” – this item must be ordered at the same time
(o) = “or” – this item may be ordered as an alternative option
SAFETY

[X] **Anti-theft alarm system** (not shown)
If the motorcycle is moved or struck violently, the system responds with a clearly audible signal and a flashing warning light. Also available as an equipment option.
To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad Centre.
- **Anti-theft alarm system**
  Order number: 77 53 8 554 348
- (+) 10 Ah battery
  Order number: 61 21 7 726 563
- Alarm system bracket
  Order number: 65 75 8 524 382
- (+) Expanding rivet (two required)
  Order number: 51 49 7 054 361
- Screw
  Order number: 51 13 1 960 840

[1] **Brake disc lock with anti-theft alarm system**
Sturdy brake disc lock with an audible alarm that sounds when unauthorized access is attempted. A multi-colour LED display shows the battery and vehicle status.
- **Brake disc lock with anti-theft alarm system**
  Order number: 77 25 2 414 845

[X] **BMW Motorrad warning triangle** (not shown)
The BMW Motorrad warning triangle packs down to a very small size (H x W x D: 22.5 x 8.5 x 3.5 cm) so there’s never any problem finding space for it on your motorcycle. It also complies with ECE standard R 27. Comes in a sturdy plastic container with assembly instructions.
- **BMW Motorrad warning triangle**
  Order number: 77 02 8 543 476

[X] **First-aid kit** (not shown)
Compact waterproof case containing bandages and dressings. The large first-aid kit also complies with the DIN standard for motorcycle first-aid kits.
- **First-aid kit, large**
  Order number: 72 60 2 449 657
- **First-aid kit, small**
  Order number: 72 60 2 449 656

MAINTENANCE AND TECHNOLOGY

[2] **Sport workstand**
Easy to set up, this sturdy workstand holds your BMW S 1000 RR securely in place, making maintenance work easier to carry out.
- **Sport workstand, front**
  Order number: 77 02 8 551 859
  Can only be used in conjunction with rear Sport workstand.
- **Sport workstand, rear**
  Order number: 77 02 8 551 854
- (+) HP workstand support
  Order number: 77 25 8 560 293

[3] **BMW Motorrad battery charger**
Microprocessor-controlled charger and float charger for maintenance-free, wet 12-volt batteries. Connects to the battery terminals via an adapter cable (included).
- **BMW Motorrad 230-volt battery charger**
  Order number: 77 02 8 551 896
- **BMW Motorrad 110-volt battery charger**
  Order number: 77 02 8 551 897
- **BMW Motorrad battery charger for UK**
  Order number: 77 02 8 551 898

[4] **Mini foot pump**
Versatile air pump with digital manometer. Packs down to a small size. Suitable for checking tyre pressure while out on tour.
- **Mini foot pump**
  Order number: 71 60 7 715 824

[X] **Puncture repair kits** (not shown)
Absolutely essential on a long-distance tour – the complete puncture repair kit.
- **Breakdown repair kit for tubeless tyres**
  Order number: 71 11 2 332 083
- **Breakdown repair kit for motorcycle tyres**
  Order number: 71 11 2 414 854

  Order number: 83 19 2 420 024
- Cleaning cloth for helmet and visor
  Order number: 83 19 2 420 022

TYRES

[X] **Tyres (not shown)**
To guarantee the best possible ride, you need to think about where the vehicle meets the road: the tyres. Tyres tested by BMW Motorrad ensure only the best options are available for your bike. If you have questions about your tyres or are thinking about buying a new set, contact your nearest BMW Motorrad Centre for detailed advice.

Please contact your local BMW Motorrad Centre for fitted prices.
Original BMW motorcycle equipment is available from your BMW Motorrad Centre.
[1] **Sport suit**
Take control of the streets in this professional-grade suit made of 100% cowhide nappa leather. NP2 protectors and INOX stainless steel sliders safeguard the rider in the event of a fall, while 3D mesh in the back and the AirVent system in the front ensure it never gets too hot or cold inside the suit. Every element is designed to maximize performance, including the cut, which encourages riders to assume an aerodynamic racing position. The result is total domination, every time you take to the tarmac.

[2] **Two in One glove**
The multifunctional sport-style touring glove with twin-chamber technology is truly unique, allowing riders easily to switch chambers when weather conditions change. The PROOF moisture protection chamber is breathable, windproof and waterproof. It also features a lining which provides thermal insulation. The GRIP chamber features wafer-thin, abrasion-resistant kangaroo leather, for a crease-free, tactile fit.

[3] **SportDry boot**
Built for speed, tailored for comfort, SportDry boots are made of 2.2-mm cowhide leather and feature removable side and heel abrasion protectors. The breathable, windproof and waterproof GORE-TEX® membrane keeps your feet comfortable even when the heat is on out on the track, while the torsion-resistant ankle guard (TCS), shock absorber and toe reinforcements provide top-level protection.

Find out about these items and other rider equipment at your BMW Motorrad Centre or www.bmw-motorrad.co.uk

BMW Motorrad Service
BMW’s extensive service network ensures your bike gets the care it deserves. There are over 150 BMW Service Centres in Germany alone, and if you’re off on your travels, you’ll find them in over 100 countries around the world. Their quality of service is assured by comprehensive training and systems.

BMW Motorrad mobility services
We pride ourselves on the quality of aftersales care we provide. Like BMW Motorrad mobility services: free, round-the-clock breakdown assistance whether you bought your bike new or as an Approved Used Bike.

If you have a breakdown in this country or elsewhere in Europe, our experts will do everything they can to get you back on the road. If they can’t fix the problem immediately, they’ll get you to your destination by other means.

Ask your BMW Motorrad Centre for more information, or visit www.bmw-motorrad.co.uk

Datatag
BMW Motorrad has joined forces with Datatag, the country’s leading provider of security marking solutions, to give BMW motorcycle owners an additional level of theft protection and peace of mind.

All BMW Motorcycles will be fitted with the Datatag’s industry-leading system to deter theft, free of charge. Datatag’s advanced system enables the identification of stolen motorcycles and parts, thereby assisting the police in prosecuting motorcycle thieves and making BMW motorcycles less attractive to criminals.

Real Rider
REALRIDER’s life saving, route recording, benefit-filled Smartphone App, lets you track your rides, record your points of interest and keeps you safe when you ride alone. Using Smartphone technology, if a crash is detected, REALRIDER connects an injured rider directly to the NHS Ambulance Control Room.

Each new bike purchase also comes with a complimentary 12 months REALsafe subscription as part of the REALsafe premium App. This is the only accident detection system App to be fully integrated into the NHS and when activated will enable emergency services to locate riders quickly and accurately.

MAKE LIFE A RIDE WITH BMW MOTORRAD FINANCIAL SERVICES.

Get on your new or used BMW bike as quickly and easily as possible with finance from BMW Financial Services.

We offer a range of flexible finance options for your new or used bike to get you out on the open road.

• BMW Select is our most flexible and popular finance product. It can help turn your dream Motorrad adventure into a reality by putting you onto a BMW bike sooner than you might think. With BMW Select, you can change your bike regularly, meaning you can always benefit from the latest technologies in the range.

• BMW Hire Purchase is the traditional way to finance your new BMW bike, where you spread the cost of your purchase equally over time so it’s easy to budget.

• We also offer Accessory Loans to help you afford those extra gadgets that you’ve always wanted.

Get in touch with the finance specialist at your local BMW Motorrad Centre for more details, or visit www.bmw-motorrad.co.uk/finance for more information and to view the latest offers.

Finance is subject to status and available to over 18s in the UK only. Guarantees and indemnities may be required. Finance is provided by BMW Financial Services (GB) Limited, Summit ONE, Summit Avenue, Farnborough GU14 0FB.
