BMW MOTORRAD SHORTFALL INSURANCE

ENSURING YOU'RE NOT OUT OF POCKET IF YOUR BMW MOTORCYCLE IS WRITTEN OFF OR STOLEN

BMW Motorrad Shortfall Insurance ensures you're not out of pocket if your BMW Motorrad is written off due to an accident, theft or fire. BMW Motorrad Shortfall Insurance is designed to bridge the gap between the motor insurance settlement and either the amount you paid for your BMW motorcycle, or the outstanding amount due under your finance agreement if your BMW motorcycle is declared a total loss, whichever is the higher amount. BMW Motorrad Shortfall Insurance covers you against losing out in these tricky situations.

KEY BENEFITS OF BMW MOTORRAD SHORTFALL INSURANCE:

- Cover available for 2, 3 or 4 years
- The insurance could pay up to £500 to cover any excess you have as part of your motor insurance claim
- Pay for your policy upfront or in 12 monthly payments (at no extra cost)
- Cover for accessories listed on the original purchase invoice for the insured vehicle that are present at the date of loss
- You have up to 60 days to purchase your policy after you have collected your BMW Motorrad. Cover will start after you have purchased the policy

BMW MOTORRAD SHORTFALL INSURANCE. EXPLAINED:

You paid £14,000 for your motorcycle but it gets written off following an accident. Your insurance company values your motorcycle at £9,000, leaving you with a potential gap of £5,000. Should this happen, BMW Motorrad Shortfall Insurance will cover the difference between what you paid for your motorcycle and your insurance company's pay out. However should your finance settlement figure leave you with a gap greater than £5,000, BMW Motorrad Shortfall Insurance would cover up to the higher amount, ensuring that you are not left out of pocket.

POLICY CONDITIONS:

- The insurance cover will be capped at the amount shown on your certificate of insurance. Therefore, the amount paid out under the BMW Motorrad Shortfall Insurance might be lower than the gap between the motor insurance settlement and either the amount you paid for the insured vehicle or the early finance settlement balance
- Cover only applicable if a claim under your motor insurance policy is paid
- Cover for finance agreements does not include Contract Hire
